COMMUNITY COUNCIL

“Working Together for a Better Village”

? Who We Are

Torrance Community Council (TCC) is your local voice — working in partnership with residents to shape and support the future of our village

We are a non-political, volunteer-led group that exists to:

- Represent the views of local residents
- Liaise with East Dunbartonshire Council and public services
- Help plan and deliver community initiatives and improvements
- Support and protect local assets like Caldwell Halls and Woodmill Park

Why It Matters

Your voice matters. Whether you care about green spaces, housing, events, or village services — the Community Council is a space where your views can make a real difference.

- Influence local decisions
- Advocate for improvements
- Contribute to a connected, thriving community
