

Paths and Spaces Steering Group

Sub Group of the Community Council with members from the Community with and Interest in our paths, trails and Community spaces

Paths and Trails - Core paths Network and walking paths surrounding and through the Village.

Community Spaces- Large and small – flower beds , Village entry points , Demonstration Garden, Parks and open areas such as West Balgrochan Marsh.

Aim

- To bring together existing groups and wider community to encourage a greener and tidier village .
- Identify Funding opportunities for projects that can be used to enhance our Village
- Encourage more of the community to use and become involved in maintaining and creating open spaces for the enjoyment of all
- Identify and engage with Landowners with regard to Rights of Way and improvement of footpath and walking routes .
- Identify issues with footpaths and rights of way raising with Local Authority and Landowners.
- Identify areas that members of the community / Torrance Greenspace group / Friends of Woodmill Park already work on.
- Work with East Dunbartonshire Greenspace and Streetscene on how projects are identified for rewilding .
- Identify areas for special interest and projects in particular where areas are neglected or not at full potential especially Demonstration Garden and West Balgrochan Marsh
- Investigate if Torrance in Bloom appeals to the village.
- Involve and support local Businesses to enhance spaces around shops and buildings.
